ENTRY REQUIREMENTS

Admission of foreign citizens to study under contracts for the provision of educational services is carried out on a competitive basis (based on the results of entrance tests conducted by the university).

APPLICATION

Application for acceptance of documents for enrolment (by mail).

Consent to the processing of personal data of the applicant.

Letter of consent

Identity document, citizenship.

Academic degree

Documents confirming the individual achievements of the applicant.

An agreement on the provision of paid educational services (for admission on a contractual basis).

PROGRAM STRUCTURE

Bachelors study the History of Russia, Law, Russian language and culture of speech, disciplines of psychological and pedagogical disciplines (introduction to the pedagogical profession, theory of training and education, general psychology, age psychology, educational and social psychology).

The theoretical part includes informatics information technologies, basics of project management, basics of mathematical information processing;

Students also study linguistics, language history and lingo-strategy. Much attention is paid to language training at the lessons on practice of oral and written speech, practical phonetics, practical grammar and analytical reading. Considerable attention is paid to the different types of practice: archaeological practice, academic practice, technological practice, industrial practice and pre-diploma practice.

CAREER OPPORTUNITIES

Bachelors are trained to teach English and history in schools. They have the opportunity to enter a Master's program.
